- 16.8 If the office of Chair-Elect becomes vacant, then:
- (a) a Chair shall be elected to take office at the next AGM occurring after that vacancy in accordance with Rules 16.12 to 16.21, (however replacing the word 'Chair-Elect' with 'Chair'), who shall hold office for a term of two (2) years until the end of the second AGM occurring after they took office; and
 - (b) a Chair-Elect shall be elected to take office at the AGM occurring after the AGM at which the Chair took office in accordance with Rule 16.12 to 16.21, who will assume the position of Chair at the AGM occurring after they took office as Chair-Elect.
- 16.9 If there is a vacancy in the office of Chair-Elect in the period from the date when nominations open to the date of the AGM at which time the Chair-Elect would have taken office as Chair (thereby leaving insufficient time for a Chair to be elected in accordance with Rule 16.8(a) above), the College committee shall co-opt a College member holding the grade of Member or Academic Member (who may be amongst its number) as Chair. In these circumstances, the (co-opted) Chair will hold office until the end of the AGM occurring after the AGM at which the Chair-Elect would have taken office as Chair. At this time, a Chair shall be elected in accordance with Rules 16.12 to 16.21 and then a Chair-Elect shall be elected in accordance with Rule 16.8(b) above.

Office Bearer Positions

- 16.10 Elected Office Bearers will be assigned to specific Office Bearer positions (other than the Chair or Chair-Elect) from amongst their number at the first committee meeting after the election. All Office Bearer positions (other than the Chair or Chair-Elect) shall be available for re-assignment each year.
- 16.11 Section Representatives are eligible to nominate for election as Office Bearers.

Call for Nominations

- 16.12 The call for nominations to Officer Bearer positions on a National Committee will:
- (a) be conducted electronically with the assistance of the National Office, at the request of the Chair or the Secretary;
 - (b) be made in a form approved by the Board;
 - (c) open no later than 28 days prior to the date of the AGM; and
 - (d) close 15 days prior to the date of the AGM.
- 16.13 Nominations must:
- (a) be made in writing;
 - (b) be signed by a proposer and seconder of each nominee, with each of the proposer and seconder being a Member or Academic Member of the College to which the nominee seeks to be elected;

- (c) include the written consent of the nominee;
- (d) indicate whether the nominee is seeking election to the position of Chair-Elect or Office Bearer or both, as appropriate; and
- (e) be returned to the National Office, on behalf of the College, in the manner described in the call for nominations.

16.14 If more nominations than positions available are received, an electronic vote will be conducted in accordance with Rules 16.17-16.21.

16.15 If only one (1) nomination is received to fill the position of Chair-Elect, or in the case of the other Office Bearer positions, the number of nominations received is equal to the number of positions for election, the College will notify each person holding a grade of membership of the College of that situation at the same time as the ballot would otherwise have opened and the Chair will declare, at the AGM, the nominees duly elected to those positions.

16.16 No Member or Academic Member of a College may be elected to more than one (1) position on the National Committee. Election results shall be declared in the following order: Chair-Elect, then other Office Bearers. Once the result has been declared for the Chair-Elect, the successful candidate shall be taken to have:

- (a) withdrawn his or her nomination for any other position; and
- (b) resigned his or her then former Office Bearer position, if any.

Electronic Voting

16.17 The election for Chair-Elect and Office Bearers of a National Committee will be conducted via a secure electronic format only. The National Office will work closely with each College to set up the electronic voting system and be responsible for managing the electronic voting system. All persons holding the grades of Member or Academic Member of a College are eligible to vote and will be notified electronically as soon as the ballot is opened.

16.18 Notification of the opening of the ballot will be sent to the last known email address listed in the Register of Members. The omission to give notice of the opening of the ballot, or the non-receipt of such a notice by any Member or Academic Member eligible to vote will not invalidate the election.

16.19 Voting will open no later than 10 days prior to the AGM and close at 10.00am Melbourne time on the last business day before the relevant AGM.

16.20 The method of counting votes will be in accordance with the optional preferential voting method whereby candidates are elected in a progressive count based upon first preferences, followed by the allocation of later preferences, until such time as all vacancies are filled.

- (a) Members of a College will be able to record their vote by placing the number "1" in the square opposite the name of the candidate for whom he or she wishes to vote as first preference; and
- (b) may, by placing the numbers "2", "3", "4" (and so on, as the case may require) in the squares opposite the remaining candidates, indicate the order of his or her preference for the remaining candidates.

- (c) Members of a College are not required to indicate their preference for each and every candidate listed on a ballot paper; thus a ballot paper will still be valid if a number has not been placed in every square.

16.21 If the count for an available position results in two (2) or more candidates having an equal number of votes, the Chair of the AGM must exercise a casting vote in addition to his or her deliberative vote.

16.22 All National Committee members will continue in office until immediately after the declaration of the ballot, which shall occur at the end of the AGM.
